The DAC Network on Gender Equality (GENDERNET) is the only international forum where experts from development co-operation agencies meet to define common approaches in support of gender equality and women's rights.

Gender equality in the 2030 Agenda

The GENDERNET has a successful track record of influencing global processes to advance gender equality and women's rights. Its most recent achievements include its influence on the Sustainable Development Goals and the outcome of the Third International Conference on Financing for Development.
