28 June 2018**

The Security Council,

Recalling its previous resolutions, in particular [2391 \(2017\)](#), [2374 \(2017\)](#), [2364 \(2017\)](#) and [2100 \(2013\)](#), and its press statements of 23 May 2018, 15 April 2018 and 24 January 2018,

Reaffirming its strong commitment to the sovereignty, unity and territorial integrity of Mali, *emphasizing* that the Malian authorities have primary responsibility for the provision of stability, security and protection of civilians throughout the territory of Mali,

Reaffirming the basic principles of peacekeeping, including consent of the parties, impartiality, and non-use of force, except in self-defence and defence of the mandate, and *recognizing* that the mandate of each peacekeeping mission is specific to the need and situation of the country concerned, and *recalling* its Presidential Statement of 14 May 2018 ([S/PRST/2018/10](#)),

Recognizing that the full, effective and inclusive implementation of the Agreement on Peace and Reconciliation in Mali (“the Agreement”) signed in 2015 by the Government of Mali, the *Plateforme* coalition of armed groups, and the *Coordination des Mouvements de l’Azawad* coalition of armed groups (“the Plateforme and Coordination armed groups”), constitutes a historic opportunity to achieve lasting peace and security in Mali,

Stressing that all parties to the Agreement share the primary responsibility to make steadfast progress in its implementation,

Taking note of the renewed commitment of the Government of Mali and the Plateforme and Coordination armed groups to the expeditious implementation of all of their remaining obligations under the Agreement, through the adoption of a “*Chronogramme d’actions prioritaires*” during the meeting of the *Comité de Suivi de l’Accord* (CSA) held in Bamako on the 15 and 16 January 2018, followed by the adoption of a Roadmap for its implementation on 22 March 2018 (“the Roadmap”),

Noting that the slow progress in the implementation of the Agreement, particularly its defence and security provisions, as well as the delayed reform of the security sector, have hampered efforts to restore security in the North of Mali, and *stressing* that acceleration of the implementation of the Agreement would contribute to enhancing State's presence and to improving the security situation across Mali and to forestalling attempts by terrorist groups to derail the implementation of the Agreement,

Affirming its intention to continue to facilitate, support and follow closely the implementation of the Agreement,

Welcoming the appointment of the Carter Center as the Independent Observer referred to in the Agreement, *recalling* that the mandate of the Independent Observer, as defined by the Agreement, is to objectively evaluate progress towards implementation of the Agreement, including through the release every 4 months of a comprehensive report on the implementation of the commitments undertaken in the Agreement, identifying any impediments, determining responsibility and recommending the steps to be taken, and *calling upon* all parties to fully cooperate with the Carter Center in order to facilitate the implementation of its mandate as Independent Observer,

Underlining that engaging in hostilities in violation of the Agreement as well as actions taken that obstruct, or that obstruct by prolonged delay, or that threaten the implementation of the Agreement constitute a basis for sanctions designations pursuant to resolution [2374 \(2017\)](#), among other designation criteria, and *calling upon* all actors to cooperate fully with the Sanctions Committee and the Panel of Experts established pursuant to resolution [2374 \(2017\)](#),

Recognizing that MINUSMA and the *Force conjointe du G5 Sahel* (FC-G5S) have the potential to be mutually beneficial instruments to restore peace and stability in Mali and in the Sahel region, and *underlining* that they have the potential to constitute a positive interaction between a United Nations peacekeeping operation and an African operation,

Strongly condemning all violations and abuses of international human rights law and violations of international humanitarian law, including those involving extrajudicial and summary executions, arbitrary arrests and detentions and ill-treatment of prisoners, sexual and gender-based violence, as well as killing, maiming, recruitment and use of children, attacks against schools and hospitals, *calling on* all parties to respect the civilian character of schools in accordance with international humanitarian law and to cease detention of all children on national security charges in violation of applicable international law, and *further calling upon* all parties to bring an end to such violations and abuses and to comply with their obligations under applicable international law,

and *encouraging* the immediate development and implementation of an action plan by the Plateforme armed groups and the United Nations to prevent the unlawful recruitment and use of children and sexual violence against children,

Emphasizing the need for all parties to uphold and respect the humanitarian principles of humanity, neutrality, impartiality and independence in order to ensure the continued provision of humanitarian assistance, the safety and protection of civilians receiving assistance and the security of humanitarian personnel operating in Mali, and *stressing* the importance of humanitarian assistance being delivered on the basis of need,

Remaining seriously concerned over the significant ongoing food and humanitarian crisis in Mali, and over the insecurity which hinders humanitarian access, exacerbated by the presence of armed groups, terrorist and criminal networks, and their activities, the presence of landmines, improvised explosive devices and explosive remnants of war, as well as the continued illicit proliferation of weapons from within and outside the region that threatens the peace, security, and stability of States in this region, *condemning* attacks against humanitarian personnel, and *calling on* Member States and international and regional organizations to respond swiftly to the humanitarian appeal through increased contributions and to ensure that all pledges are honoured in a full and timely manner,

Recognizing the adverse effects of climate change, ecological changes and natural disasters, among other factors, on the stability of Mali, including through drought, desertification, land degradation and food insecurity, and *emphasizing* the need for adequate risk assessment and risk management strategies by the government of Mali and the United Nations relating to these factors,

Recalling that it is important that all MINUSMA contingents are properly trained and effectively equipped, including with adequate language skills, staffed and supported to be able to sustain their commitment to carry out their respective tasks,

Recalling resolution [2378 \(2017\)](#), which requests the Secretary-General to ensure that data related to the effectiveness of peacekeeping operations, including peacekeeping performance data, is used to improve analytics and evaluation of mission operations, based on clear and well identified benchmarks,
