Southern Cross: Talking With Kozue Akibayash, The International President Of The Women's International League For Peace and Freedom

[95B FM](#)

The Nuclear Weapons Ban Treaty was adopted on July 7. It's the first legally binding international agreement to comprehensively prohibit nuclear weapons, with a goal of leading towards their total elimination. Sixty-nine nations did not vote.

AUT Pacific Media Centre's Kendall Hutt had a chat with the International President of the Women's International League for Peace and Freedom, Kozue Akibayashi, about this treaty, and the responsibility Governments have to take it seriously.
