

Welcome to AWID's 13th International Forum Registration Page!

The Forum takes places every 3 to 4 years in a different region of the world each time including Istanbul Turkey, Cape Town South Africa, Bangkok Thailand and Guadalajara Mexico. The next Forum will take place in September 8-11 at the Costa do Sauípe resort in Bahia, Brazil.

The registration fees listed below cover only part of the approximately \$700 USD in direct Forum costs per person. (Staff and overhead costs aren't included in this calculation).

The Forum is a multi-lingual event, and there are significant costs associated with interpretation equipment and professional interpreters, as well as the technical and logistical coordination of more than 200 different and often simultaneous sessions and events.

We are also offering 200 free registrations for participants living in Brazil.
