# ANNEX I. DETAILED INSTRUCTIONS

The template consists of three sections:

- Section A: Identification of the initiative
- Section B: Initiative results statements and indicators
- Section C: About the initiative

- **Indicator of output/expected achievement:** Please provide indicators for the reported initiatives. You can list both qualitative and quantitative indicators that will allow the verification of changes produced by the initiative relative to what has been planned. Make sure that output indicators measure the output statements. Please refer to Annex 2 for the list of suggested indicators.
- **Source.** Please provide information about the data sources for your selected indicator
- **Baseline:** Please provide baseline data against which progress can be measured. The baseline might be defined on the basis of the results achieved by each entity through implementation of 2006-2007 action plan.
