<p>[2] BRIEF DESCRIPTION Please provide a description of your main activities</p> <p>During the 32nd General Conference in 2003, UNESCO was called upon to strengthen its actions in favor of women and children living in conflict zones. Further to this request, the project on the "Establishment of a Regional Research and Documentation Center in the Grate Lakes Region" was initiated to promote women's participation in post conflict resolution, democratization and governance as called for in the Dar Es Salaam Declaration on Peace, Security, Democracy and Development in the Great lakes region of the 1st summit of Heads of State and Government held in November 2004 in Dar Es Salaam, Tanzania, as well as by the United Nations Security Council Resolution 1325 of 31st October 2000 which reaffirms the important role of women in the prevention and resolution of conflicts and the need to fully implement international humanitarian and human right laws that protect women and girls during and after conflicts. Based on the Dar Es Salaam Declaration, UNESCO decided to extend the number of countries in its project from the initial 6 countries (DRC, Rwanda, Burundi, Uganda, Kenya, Tanzania) to 11 countries including 5 DRC neighboring countries (Zambia, Angola, Republic of Congo, the Central African Republic, and Sudan). As the first phase, the establishment of a research & documentation centre in Kinshasa, DRC was agreed by the participating countries and UNESCO. The establishment of the Centre is scheduled for 2008. The Center will undertake research on issues involving women's rights, develop policy briefs as a result of the findings of research and communicate this information to decision and policy makers (government, NGOs, universities, opinion leaders). The Centers will also provide documentation/ library facilities for those wanting to do research on women's issues, and act as an Observatory on the status and condition of women. One Center has already been established in Palestine.</p>

Handbook: "Gender, Conflict and Journalism"	Please see instructions for definitions and select one (or more if needed) <ul style="list-style-type: none"> <input checked="" type="checkbox"/> PREVENTION <input checked="" type="checkbox"/> PARTICIPATION <input type="checkbox"/> PROTECTION <input type="checkbox"/> RELIEF & RECOVERY <input type="checkbox"/> NORMATIVE
[2] BRIEF DESCRIPTION Please provide a description of your main activities	
The outline of the handbook was conceived during the planning for the UNESCO-Nepal Press Institute first Roundtable on The Gender Perspective in Conflict Reporting. The Roundtable discussions served as the central resource and inspiration for a wider-ranging exploration by the Roundtable facilitators of how reliable journalism is coping with the enormous challenges of gender inequity and violent conflict which exist, inter-related, in South Asia and elsewhere. Women are among the first to bear the brunt of armed conflicts but they also have a vital role to play in reconstruction processes. By ignoring or marginalizing issues of gender in conflict reporting, the media insensitivity can reinforce stereotypes of women and men. The outcome will be this compilation of emerging ideas, strategies and professional skills that journalists can wield against the entrenched traditions and new threats which constrain free expression and the achievement of gender equality and conflict resolution. Among the agreed conclusions and shared experiences of the round table discussions which will be highlighted in this handbook, many are practical strategies on how to reveal and analyze social and political constraints in covering conflict in the light of gender relations and how to put women into the picture, both as producers of media information and as subjects of it in order to emphasize the fact that women are equally concerned and engaged in political issues as important peace-building actors at local, regional and global levels

ANNEX I. DETAILED INSTRUCTIONS

The template consists of three sections:

- Section A: Identification of the initiative
- Section B: Initiative results statements and indicators
- Section C: About the initiative

Completion of all three sections of this template follows the results chain from a higher goal in the thematic areas for the implementation of SCR 1325 through outputs to strategies/activities.

Section A. Identification of the initiative

This section requests information on the actions to be taken or to be performed through which UN entity is intended to produce specific outputs. In the boxes in this section, entities are requested to provide: 1) a brief title of the initiative; 2) a short narrative description; 3) information on main partners; and 4) indicate which of the five thematic area/or areas the initiative aims at: Prevention; Participation; Protection; Relief and Recovery; or Normative. Broad definition of the thematic areas together with examples are provided below to facilitate identification of thematic areas. We encourage marking more than one area only when considered strictly necessary. If the initiative is a joint effort by several entities or a coordinating mechanism, please provide the full name (s) of the coordination mechanism and entities involved.

¹ PREVENTION

- Ensure that all conflict prevention activities and strategies integrate a gender perspective and involve women.
- Develop effective gender-sensitive early warning mechanisms and institutions
- Strengthen and amplify efforts to prevent violence against women, including sexual and other forms of gender-based violence and exploitation and abuse.

Examples:

- Initiatives that seek to increase funds, including through CAP and CERF processes, for the prevention of violence against women
- Initiatives that seek to end impunity through support of prosecutions and investigations
- Initiatives that activities that address root causes of tensions and violence, i.e. natural resource exploitation, social marginalization, unemployment, etc.

² PROTECTION

- Strengthen and amplify efforts to secure the safety, physical or mental health, well-being, economic security, and/or dignity of women and girls.
- Promote and safeguard human rights, including the political, economic, social, and/or cultural rights of women.
- Ensure that legal and institutional reform and institutions promote gender equality and appropriately address the needs and priorities of women, especially in post-conflict processes.

Examples:

- Initiatives that seek to enhance capacity regarding how peacekeeping forces address sexual violence
- Initiatives that seek to create human-rights based processes in post-conflict societies

³ PARTICIPATION

- Promote and support women's active and meaningful participation and representation in formal and informal decision-making and programmes, including in programme planning, design, and evaluation.
- Improve efforts to reach out to and consult with local and international women's rights groups/organizations.
- Enhance efforts to recruit and appoint women to senior positions in the UN, including SRSGs and RCs and in peacekeeping forces, including military, police, and civilian personnel.

Examples:

- initiatives that seek to broker women's participation in formal peace negotiations
- initiatives that seek to create safe spaces for women and women's groups to discuss, to organize etc.

4 RELIEF AND RECOVERY

- Ensure that all relief and recovery efforts ensure equal access to services and take into account the different needs and priorities of women, girls, men, and boys.
- Ensure that women and girls have equal access to aid distribution mechanisms and that goods and services are distributed in a gender-sensitive manner

Examples:

- initiatives to ensure that the consolidated appeals process and emergency, recovery and rehabilitation response policies include a gender analysis
- initiatives to provide psychosocial services to rape survivors

5 NORMATIVE

- Ensure the development of policy framework to advance the implementation of SCR 1325
- Promote effective coordination and awareness-raising for the full implementation of SCR 1325.

Examples:

- Initiatives that seek to promote and support the development of action plans/policies/strategies for the implementation of SCR 1325
- Initiatives that seek to promote accountability to SCR 1325 at the highest decision-making levels in the UN
- Initiatives that seek to promote UN inter-agency coordination with a view to create joint capacity and accountability
- Initiatives that seek to raise awareness of the provisions of SCR 1325

Section B. Initiative results statements and indicators

In this section entities are requested to place their reported initiative (s) in a Results Based Management (RBM) framework and provide information on:

- **Output/expected accomplishments:** This refers to the products and services which results from the completion of planned activities within a specific initiative
- **Indicator of output/expected achievement:** Please provide indicators for the reported initiatives. You can list both qualitative and quantitative indicators that will allow the verification of changes produced by the initiative relative to what has been planned. Make sure that output indicators measure the output statements. Please refer to Annex 2 for the list of suggested indicators.
- **Source.** Please provide information about the data sources for your selected indicator
- **Baseline:** Please provide baseline data against which progress can be measured. The baseline might be defined on the basis of the results achieved by each entity through implementation of 2006-2007 action plan.

Section C. About the initiative.

This section requests more specific information on the initiative.

- **Where?** Indicate where the initiative will be implemented – HQ, global, region, country. Please specify name of region (s) or country (ies). [NOTE: If the same initiative will be implemented in several countries or regions, please use one template for the initiative but list all the relevant locations]
- **When?** Indicate the time-frame of the initiative. Please be as specific as possible, e.g. instead of reporting “ongoing,” provide information of start and end dates and/or frequency.

- **How?** Each initiative should be categorized according to five broad categories: policy development; advocacy; capacity building; partnerships/networking and provision of goods and services. For analytical purposes the category ‘capacity building’ has been divided into three sub-categories: ‘training’, ‘guidelines’ and ‘other capacity building’. The box below explains these categories.

POLICY DEVELOPMENT

The development of policy directives or codes of conduct, including for project design, reporting, monitoring and evaluation. This would also involve policies for all levels and categories of staff outlining roles and responsibilities as well as more general external policies to guide efforts by external partners or other actors.

Examples:

- Development of departmental policy frameworks on gender mainstreaming in the area of peace and security
- Development of a departmental action plan for integrating a gender perspective into its work

ADVOCACY

Raising awareness, including through education, media and outreach (including websites) and information campaigns about SCR 1325 in general or about particular issues dealt with in the resolution. This would also involve promoting issues, approaches or strategies for the implementation of SCR 1325 in internal or external fora – including through statements, in official meetings and public events.

Examples:

- Promotion of the inclusion of a gender perspective in entity reporting through meeting interventions
- Development of gender sensitive public information materials

CAPACITY-BUILDING

This includes training; the design and implementation of guidelines; and other initiatives which build human and/or institutional capacity for implementation of SCR 1325. Capacity-building initiatives can be both internal to the UN and external such as the building of capacity of national or local government institutions or personnel or that of civil society to implement the resolution.

Examples:

- Provision of systematic gender training to all levels and categories of UN staff
- Appointment of and support to gender advisors/ technical experts in the UN system at HQ and field levels
- Provision of training and technical support to regional and national actors to ensure that women’s rights and gender perspectives are fully incorporated in legal reform, security sector reform
- Provision of technical and financial support to women’s group, networks and peace initiatives at the national level.

PARNERSHIP AND NETWORKING

This includes initiatives whose focus is to develop and strengthen partnerships or networks for the implementation of SCR 1325. These can be both internal and external to the UN.

Examples:

- Strengthening of partnerships with civil society actors to implement projects on women, peace and security
- Development or support of partnerships and networks at all levels of government for implementation efforts
- Develop/strengthen inter-agency collaboration and coordination among UN entities in specific areas of 1325 work

PROVISION OF GOODS AND SERVICES

This will include initiatives that will ensure equal access to and use of goods and services.

Examples:

- Access to productive resources and capital
- Provision of food, shelter, fuel, medical supplies
- Access to and provision of legal or medical services

- **Estimated resources (US\$).** To allow for an improved analysis of actual resources available for implementation of SCR 1325, entities are requested to provide information on resources available for implementation of their initiatives. Entities are requested to indicate: a) spending period, b) total budget for the initiative and c) amount earmarked for women (if specific information is available). If the initiative is being implemented in more than one location, please provide information on resource allocation by location, if information is available.
