ANNEX I. DETAILED INSTRUCTIONS

The template consists of three sections:

- Section A: Identification of the initiative
- Section B: Initiative results statements and indicators
- Section C: About the initiative

Completion of all three sections of this template follows the results chain from a higher goal in the thematic areas for the implementation of SCR 1325 through outputs to strategies/activities.

Section A. Identification of the initiative

This section requests information on the actions to be taken or to be performed through which UN entity is intended to produce specific outputs. In the boxes in this section, entities are requested to provide: 1) a brief title of the initiative; 2) a short narrative description; 3) information on main partners; and 4) indicate which of the five thematic area/or areas the initiative aims at: Prevention; Participation; Protection; Relief and Recovery; or Normative. Broad definition of the thematic areas together with examples are provided below to facilitate identification of thematic areas. We encourage marking more than one area only when considered strictly necessary. If the initiative is a joint effort by several entities or a coordinating mechanism, please provide the full name (s) of the coordination mechanism and entities involved.

¹ PREVENTION

- Ensure that all conflict prevention activities and strategies integrate a gender perspective and involve women.
- Develop effective gender-sensitive early warning mechanisms and institutions
- Strengthen and amplify efforts to prevent violence against women, including sexual and other forms of gender-based violence and exploitation and abuse.

Examples:

- Initiatives that seek to increase funds, including through CAP and CERF processes, for the prevention of violence against women
- Initiatives that seek to end impunity through support of prosecutions and investigations
- Initiatives that address activities that address root causes of tensions and violence, i.e. natural resource exploitation, social marginalization, unemployment, etc.

² PROTECTION

- Strengthen and amplify efforts to secure the safety, physical or mental health, well-being, economic security, and/or dignity of women and girls.
- Promote and safeguard human rights, including the political, economic, social, and/or cultural rights of women.
- Ensure that legal and institutional reform and institutions promote gender equality and appropriately address the needs and priorities of women, especially in post-conflict processes.

Examples:

- Initiatives that seek to enhance capacity regarding how peacekeeping forces address sexual violence
- Initiatives that seek to create human-rights based processes in post-conflict societies

³ PARTICIPATION

- Promote and support women's active and meaningful participation and representation in formal and informal decision-making and programmes, including in programme planning, design, and evaluation.
- Improve efforts to reach out to and consult with local and international women's rights groups/organizations.
- Enhance efforts to recruit and appoint women to senior positions in the UN, including SRSGs and RCs and in peacekeeping forces, including military, police, and civilian personnel.

Examples:

- initiatives that seek to broker women's participation in formal peace negotiations
- initiatives that seek to create safe spaces for women and women's groups to discuss, to organize etc.

⁴RELIEF AND RECOVERY

- Ensure that all relief and recovery efforts ensure equal access to services and take into account the different needs and priorities of women, girls, men, and boys.
- Ensure that women and girls have equal access to aid distribution mechanisms and that goods and services are distributed in a gender-sensitive manner

Examples:

- initiatives to ensure that the consolidated appeals process and emergency, recovery and rehabilitation response policies include a gender analysis
- initiatives to provide psychosocial services to rape survivors

⁵ NORMATIVE

- Ensure the development of policy framework to advance the implementation of SCR 1325
- Promote effective coordination and awareness-raising for the full implementation of SCR 1325.

Examples:

- Initiatives that seek to promote and support the development of action plans/policies/strategies for the implementation of SCR 1325
- Initiatives that seek to promote accountability to SCR 1325 at the highest decision-making levels in the UN
- Initiatives that seek to promote UN inter-agency coordination with a view to create joint capacity and accountability
- Initiatives that seek to raise awareness of the provisions of SCR 1325

Section B. Initiative results statements and indicators

In this section entities are requested to place their reported initiative (s) in a Results Based Management (RBM) framework and provide information on:

- **Output/expected accomplishments:** This refers to the products and services which results from the completion of planned activities within a specific initiative
- **Indicator of output/expected achievement:** Please provide indicators for the reported initiatives. You can list both qualitative and quantitative indicators that will allow the verification of changes produced by the initiative relative to what has been planned. Make sure that output indicators measure the output statements. Please refer to Annex 2 for the list of suggested indicators.
- **Source.** Please provide information about the data sources for your selected indicator
- **Baseline:** Please provide baseline data against which progress can be measured. The baseline might be defined on the basis of the results achieved by each entity through implementation of 2006-2007 action plan.

Section C. About the initiative.

This section requests more specific information on the initiative.

- **Where?** Indicate where the initiative will be implemented – HQ, global, region, country. Please specify name of region (s) or country (ies). [NOTE: If the same initiative will be implemented in several countries or regions, please use one template for the initiative but list all the relevant locations]
- **When?** Indicate the time-frame of the initiative. Please be as specific as possible, e.g. instead of reporting “ongoing,” provide information of start and end dates and/or frequency.

- **How?** Each initiative should be categorized according to five broad categories: policy development; advocacy; capacity building; partnerships/networking and provision of goods and services. For analytical purposes the category ‘capacity building’ has been divided into three sub-categories: ‘training’, ‘guidelines’ and ‘other capacity building’. The box below explains these categories.

POLICY DEVELOPMENT

The development of policy directives or codes of conduct, including for project design, reporting, monitoring and evaluation. This would also involve policies for all levels and categories of staff outlining roles and responsibilities as well as more general external policies to guide efforts by external partners or other actors.

Examples:

- Development of departmental policy frameworks on gender mainstreaming in the area of peace and security
- Development of a departmental action plan for integrating a gender perspective into its work

ADVOCACY

Raising awareness, including through education, media and outreach (including websites) and information campaigns about SCR 1325 in general or about particular issues dealt with in the resolution. This would also involve promoting issues, approaches or strategies for the implementation of SCR 1325 in internal or external fora – including through statements, in official meetings and public events.

Examples:

- Promotion of the inclusion of a gender perspective in entity reporting through meeting interventions
- Development of gender sensitive public information materials

CAPACITY-BUILDING

This includes training; the design and implementation of guidelines; and other initiatives which build human and/or institutional capacity for implementation of SCR 1325. Capacity-building initiatives can be both internal to the UN and external such as the building of capacity of national or local government institutions or personnel or that of civil society to implement the resolution.

Examples:

- Provision of systematic gender training to all levels and categories of UN staff
